

Vestavia Hills Police Foundation

“The Thin Blue Line”

The Vestavia Hills Police foundation is dedicated to supporting the Vestavia Hills Police Department, its officers, their families and the City of Vestavia Hills. We do this through benevolence, community outreach and education and development. A major goal of the foundation is to erect a memorial appropriately commemorating the service and sacrifice of law enforcement officers.

The role of law enforcement at its core has never changed, “To Protect and Serve”, however the way in which they do their job is constantly evolving. Every day that they come to work they potentially put their lives at risk on the behalf of the citizens they serve. The “Thin Blue Line” monument will be a constant reminder to those that protect us that they have support from the community and its citizens to say “We have your back”.
